

So this week's Tuesday Challenge I thought we could have a week of encouragement! What can you do to encourage your friends and family this week? Write a letter/email? Post a card? Make something? Deliver a chocolate bar? Make a cuppa? Tidy your room when asked? There are tons of opportunities and you will really make someone's day – so don't just stop at one person.... Why not try a few! 😊

I wanted to share a bible verse with you from 1 Thessalonians 5:11 which says "Therefore encourage one another and build each other up, just as in fact you are doing". How cool is that... so get encouraging! And thank you.... Because if you do - you are going to make someone's day!

Encouragement

From time to time we might feel a little sad and discouraged but when someone walks alongside us and encourages us, it can turn things around and help us. As we think about how it feels when people encourage us, hopefully that will spur us on to think about how we can encourage others. 😊

Draw/write all the things you could do at home to encourage your family in the house below
